Feedback Process

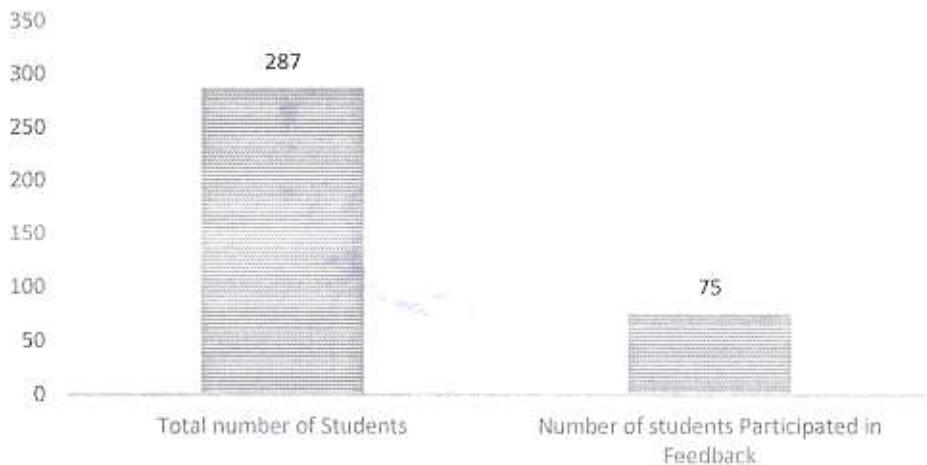

Late Sow. Sheshabai Sitaram Mundhe Arts College understands that teaching-learning system followed by an educational institution that needs continuous enhancement. The institute follows a well-planned and formal feedback system implemented at different levels. To capacitate this process of relentless enhancement, the institution adopts a feedback system that takes suggestions of the Students, Teachers and alumni on various parameters. This ultimately helps to fine-tune the teaching-learning process and the curriculum. Apart from this, the college makes an attempt to take feedbacks from teachers and alumni.

Feedback collection process from the students of the college

Every year feedback on curriculum and other parameters is collected from the students as they have an overall idea of the curriculum. The feedback from students regarding the quality of teaching is collected in mid of the semester from under graduate students in college. The students are asked to respond to the questions that examine the effectiveness of the teaching-learning process. Furthermore, the students also give their opinion on the feedback of the institution as well as on the curriculum prescribed for them. The committee analyses the data.

Feedback collection process from alumni of the college

The college has registered Alumni Association. The college has an alumni feedback on curriculum, infrastructure. Alumni visit the college, feedback is taken from them. The suggestions and feedbacks are received from Alumni for upgradation of various facilities and services. Data analysis and reporting are performed by feedback committee. The provided feedback data and report is presented to the head of the institution for necessary implementation.

Objectives of feedback collection process:-

Feedback is a key feature of college quality management processes and has few purposes.

1. To provide various stakeholders with the opportunity to contribute their opinion on the quality of their learning experiences, as required in preparation for and as part of review processes.
2. To assess the success of academic delivery in relation to the expectations of students.
3. To provide feedback to college faculties in order to improve delivery and/or content of the study-unit.
4. To assure the standards and quality of college's infrastructure and prescribed curriculum.
5. To offer the platform to the students in identifying a better role in the T/L process.

6. To support the improvement and modification in the teaching methodology at the institution.
7. To develop a network that may help to flow the communication between the management and students.

Role and Responsibilities

1. To maintain an up-to-date and detailed database.
2. To provide the inputs of excessive use to improve the quality of our academic programmes and enrich the credibility of the institution.
3. To offer best possible environment and learning experience to reach potential for academic achievement.

Principles

The following principles were set out by the various stakeholders' feedback that defines the foundation for obtaining and using these feedbacks within the College.

1. To increase the student experience depending on improvement made during the period of study and whose views are elicited.
2. It is expected that Stakeholders will adopt a responsible and thoughtful attitude while giving feedbacks.
3. During the collection of feedback, it is ensured that the student is able to express their views freely without fear.
